FOREWORD

In accordance with the provisions of the Medical Practice Act of June 3, 1911, P. L. 639, as amended, Section 7, paragraph (c), the Department of Public Instruction, in cooperation with the State Board of Medical Education and Licensure, has made an effort to register all licensed practitioners of Drugless Therapy, Physical Therapy, and Chiropody in the State for the year 1955.

Although efforts have been made to insure that this list be complete as of October 26, 1955, the Board cannot assume responsibility or liability in the event of omissions or errors.

It is hoped that each licensed and registered practitioner will aid the Board in perfecting the list and also in spreading information relative to legalized practitioners. This knowledge by the citizens of the Commonwealth will tend to prevent serious consequences resulting from the activities of illegal practitioners. Public announcement in each community of the names of its legal practitioners should be considered as a safeguard to the public.

Ralph A. Swan

Acting Superintendent of Public Instruction
